- 11:32:56 From Robert de Groot : For ShakeAlert Earthquake Early Warning in CA, OR, and WA, the USGS has coordinated with the state emergency management agencies, alert delivery providers (like Google, MyShake, and QuakeAlertUSA), and others to use consistent messaging across all alerting platforms. We are actively exploring ways to improve access to ShakeAlert-powered alerts. Learn more: <https://www.usgs.gov/faqs/how-do-i-sign-shakealertr-earthquake-early-warning-system>
- 11:57:51 From Mark Benthien, ECA/SCEC : Please take a quick survey about our webinar today: <https://www.SurveyMonkey.com/r/65QCQFF>
- 11:59:26 From Mollie McLeod : Temporary signage from SF Office of Disability
